Jurisdiction and Venue

4. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012.

5. The Debtors confirm their consent, pursuant to Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Bankruptcy Rules”), to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

6. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

7. The bases for the relief requested herein are sections 105(a) and 342 of the United States Bankruptcy Code (the “Bankruptcy Code”), Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Bankruptcy Rules 1015-1 and 9013-1(m).

Background

8. The Debtors are one of the leading operators of general acute care hospitals and outpatient healthcare facilities in the United States. Through their subsidiaries and affiliates, the Debtors own or operate 23 rural hospitals and seven outpatient centers in 13 states with almost 2,000 licensed beds. Additionally, the Debtors run a consulting business that provides hospital management advisory and healthcare consulting services to non-affiliated hospitals located throughout the country. A description of the Debtors and their business, and the facts and circumstances supporting the chapter 11 cases, is set forth in the *Declaration of Alfred Lumsdaine, Executive Vice President and Chief Financial Officer of Quorum Health Corporation, in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”).¹

9. As described in the First Day Declaration, the Debtors were formed in 2016 when Community Health Systems, Inc. spun-off 38 hospitals, their affiliated facilities, and an affiliated advisory and consulting services firm in an effort to shed its rural hospital platform. Soon after their inception, the Debtors recognized significant impairment charges to the value of their assets and their goodwill and pursued a growth-oriented strategy that came with high costs without a corresponding increase in revenue. Following the implementation of new management and in order to reduce their debt load and refine their portfolio to a more sustainable group of hospitals with higher operating margins, the Debtors actively focused on a strategy of divesting underperforming assets and using the proceeds to pay down their secured debt. The Debtors have also worked to reduce costs through, among other things, workforce reductions, service line closures, and optimized staffing. Despite the Debtors’ efforts, the Debtors still have unsustainable debt service obligations.

¹ Capitalized terms used but not defined herein have the meanings given to such terms in the First Day Declaration.

10. Accordingly, over the last several months, the Debtors have engaged in extensive negotiations with key stakeholders regarding a recapitalization transaction or financial restructuring. These negotiations resulted in the Debtors, certain lenders under the first lien Credit Agreement (the “First Lien Credit Agreement”), and certain holders of the 11.625% senior unsecured notes (the “Senior Notes”) reaching agreement on the terms of a restructuring transaction as set forth in a Restructuring Support Agreement (the “RSA”) and the plan of reorganization (the “Plan”) filed with the Court contemporaneously herewith. Pursuant to the Plan, all general unsecured creditors, including the Debtors’ trade partners and healthcare professionals, will be unimpaired. This will ensure that the Debtors’ operations will continue unaffected and the Debtors will be able to continue to provide high quality healthcare in the communities that depend on their services. The Debtors began to solicit votes on the Plan on April 6, 2020 and, subject to the approval of this Court, have set the voting deadline on May 4, 2020. As of the Petition Date, the Debtors have received commitments, pursuant to the signed RSA, to support the Plan from lenders holding approximately 75% in amount under the First Lien Credit Agreement and from holders of approximately 97% in amount of Senior Notes claims.

11. On the date hereof (the “Petition Date”), each Debtor commenced a case by filing a petition for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their business and manage their properties as debtors and debtors-in-possession. To date, the Office of the United States Trustee for the District of Delaware (the “U.S. Trustee”) has not appointed an official committee in the chapter 11 cases, nor has any trustee or examiner been appointed herein.

Basis for Relief

12. Bankruptcy Rule 1015(b) provides, in pertinent part, that “[i]f . . . two or more petitions are pending in the same court by or against . . . a debtor and an affiliate, the court may order a joint administration of the estates.” The 135 Debtor entities that commenced chapter 11

cases are “affiliates” as that term is defined in section 101(2) of the Bankruptcy Code. Accordingly, the Bankruptcy Code and Bankruptcy Rules authorize the Court to grant the relief requested herein.

13. Further, Local Bankruptcy Rule 1015-1 provides additional authority for the Court to order joint administration of these chapter 11 cases:

An order of joint administration may be entered, without notice and an opportunity for hearing, upon the filing of a motion for joint administration pursuant to Fed. R. Bankr. P. 1015, supported by an affidavit, declaration or verification, which establishes that the joint administration of two or more cases pending in this Court under title 11 is warranted and will ease the administrative burden for the Court and the parties. An order of joint administration entered in accordance with this Local Rule may be reconsidered upon motion of any party in interest at any time. An order of joint administration under this Local Rule is for procedural purposes only and shall not cause a “substantive” consolidation of the respective debtors’ estates.

Local Bankruptcy Rule 1015-1.

14. Joint administration is generally non-controversial, and courts in this district routinely order joint administration in cases with multiple related debtors. *See, e.g., In re Clover Techs. Grp., LLC*, No. 19-12680 (KBO) (Bankr. D. Del. Dec. 19, 2019) (directing joint administration of chapter 11 cases); *In re Anna Holdings, Inc.*, No. 19-12551 (CSS) (Bankr. D. Del. Dec. 3, 2019) (same); *In re Destination Maternity Corporation*, No. 19-12256 (BLS) (Bankr. D. Del. Oct. 22, 2019) (same); *In re Forever 21, Inc.*, No. 19-12122 (Bankr. D. Del. Oct. 1, 2019); and *In re PES Holdings, LLC*, No. 19-11626 (KG) (Bankr. D. Del. July 23, 2019) (same).²

15. Given the integrated nature of the Debtors’ operations, joint administration of these chapter 11 cases will provide significant administrative convenience without harming the substantive rights of any party in interest. Many of the motions, hearings, and orders in these chapter 11 cases will affect each and every Debtor entity. The entry of the Order directing joint

² Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request to the Debtors’ proposed counsel.

administration of these chapter 11 cases will reduce fees and costs by avoiding duplicative filings and objections. Joint administration also will allow the U.S. Trustee and all parties in interest to monitor these chapter 11 cases with greater ease and efficiency.

16. Moreover, joint administration will not adversely affect the Debtors' respective constituencies because this Motion seeks only administrative, not substantive, consolidation of the Debtors' estates. Parties in interest will not be harmed by the relief requested; instead, parties in interest will benefit from the cost reductions associated with the joint administration of these chapter 11 cases. Accordingly, the Debtors submit that the joint administration of these chapter 11 cases is in the best interests of their estates, their creditors, and all other parties in interest.

Notice

17. The Debtors will provide notice of this Motion to the following parties or their respective counsel: (a) the United States Trustee for the District of Delaware; (b) the holders of the fifty (50) largest unsecured claims against the Debtors (on a consolidated basis); (c) counsel for the agent under the DIP Facility; (d) counsel for the First Lien Agent; (e) counsel for the First Lien Lenders; (f) counsel for the ABL Facility Agent; (g) counsel for the ABL Lenders; (h) counsel for the Indenture Trustee for the Senior Notes; (i) the holders of the Senior Notes, through their nominees; (j) counsel for the Consenting Lenders; (k) counsel for the Consenting Noteholders; (l) the United States Attorney's Office for the District of Delaware; (m) the Internal Revenue Service; (n) the state attorneys general for all states in which the Debtors conduct business; (o) the Securities and Exchange Commission; (p) the United States Department of Justice; (q) any other local, state, or federal agencies that regulate the Debtors' businesses; and (r) any party that requests service pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be served in accordance with Local Bankruptcy Rule 9013-1(m). The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

18. No prior request for the relief sought in this Motion has been made to this or any other court.

[Remainder of page intentionally left blank]

WHEREFORE, the Debtors respectfully request entry of an Order, substantially in the form attached hereto as Exhibit A, (a) granting the relief requested herein and (b) granting such other relief as is just and proper.
